From The Pastor

Dear Missionary friend,

I understand that this is probably not the first questionnaire that you have been asked to complete and it probably will not be your last. Our intention is not to measure your Bible knowledge. That is the responsibility of your local church and Pastor. This is, however, the way that we measure the level of "like faith" of those that need financial support, as well to know a little more about who you are and your goals for the mission field. It helps us in our capacity to minister to you as a missionary. **Please**, complete the entire series of questions on this form. Most, are very simple Yes or No answers. If you feel any answer you give needs explanation, **use the space between the questions or back page to do so**. Also, complete and send it back via your choice snail mail or e-mail.

Thank you

Pastor Steven Neff
